

Why Choose Prairie?

Save up to 37% over other ISPs & go faster!

Prairie Online provides you with the fastest dialup service in Manitoba. And, we're friendly too!

Since 1998, we have been providing a local alternative to the Winnipeg backhaul providers.

In most cases you will be up and running within 15 minutes of making your initial telephone call to our Helpdesk.

It takes about 15 minutes to get switched over to Prairie Online, even quicker if you are currently with another dialup provider. Just be in front of your computer when you call and we will walk you through the changes right over the phone. No complex computer skills are needed. If you can move the mouse, we can walk you through step by step. Give our Helpdesk a call at one of the numbers below to get connected. Brandon Oakbank
